

- 1: On a tree sapling support in the vicinity of a high curved brick wall.
- 2: On a laurel bush (shiny leaves) by corner of wall near the Bunker entrance gate.
- 3: On a log near the large black circle on the gate.
- 4: Look at the number of the Rifle Range then count 2 bollards to your right and look around back of those trees on the left approx in line with the 2nd bollard.
- 5: Find 2 back to back goal posts then head direct towards the river to find 4 exercise posts then head right to the large tree.
- 6: On the main trail through Big Clump find a fallen tree with only 2 large branches. In the direction it has fallen look for the pink flowered bush and head there.
- 7: On the tree by the small "Attention au Chien" sign.
- 8: On the cornered dying tall conifer tree.
- 9: On the tall dead stump in the vicinity of the small red bin.
- 10: On a fallen tree in the ditch. Find the weeping willow tree and join the ditch near the pink flowers to the willows left.
- 11: On a branch under a dark low spreading tree which is opposite the concrete fence post with side supports.
- 12: On a tree nearby a section of metal railing. Find the manmade log structure near the high mounds, then take the small trail on its left.
- 13: On a dead tree with lots of short branches coming out of its left side. From the summit look to the stadium then take the trail to the right. ***Take caution where you run on the Ski slope because there is Giant Hogweed on it which can burn skin! They are big fan shaped leaves.***
- 14: On a tree at the trickle crossing.

On 1 of the markers there is a message that you can decrypt. By another mark is the key to read the message.
